President's Club

Regional Director  
**Spencer Fatuleai**

*When Jannis and Spencer Fatuleai first saw our company, they were really struggling financially. Both were working full time whilst going to school and raising four children under the age of 10.*

*They jumped at the opportunity and their hard work and passion has paid off. They are now top producing Regional Directors, are constantly recognised in the prestigious President's Club and their organisation has spread into multiple countries.*

*Jannis and Spencer now have a strong financial future for their family and because time and money is no longer an issue, they are dedicated to helping others achieve their own dreams and goals.*

*INCLUDING:*

**Melbourne's Leadership Team**
